# SUPPORT YOUR ALMA MATER

*“How we act along our daily journey ultimately impacts society in much deeper ways than any of us ever acknowledge. Here’s my core piece of advice: We need to adopt daily habits rooted in curiosity, courage and compassion. The three C’s to excel every day in life.*

*The easier path is to surround yourself with those who tell you what you want to hear rather than what you need to hear. Opt instead for curiosity. Think critically about everything. Develop the courage to have uncomfortable conversations – the only kind that will help us all grow. The courage to collaborate across lines of difference. Relate to others with compassion. Assume positive intent. Put yourself in other peoples’ shoes. Be more forgiving.”*

## Why is alumni giving important?

Our strength is in the participation number! **Your gift, no matter the size, makes a difference to the growth and success of High Point University.** The impact of your investment can be found throughout campus and in the classroom by providing scholarships, supporting experiential learning initiatives and much more! Alumni giving also plays a key role in national rankings. Consider your gift an opportunity to add value to your degree.

## League of Loyal Alumni

The League of Loyal Alumni recognizes, honors and celebrates alumni who donate to High Point University for three or more consecutive years. Consecutive years of giving are counted by fiscal year, June 1 to May 31. We invite you to join this community with your gift of a meaningful amount to your University area of choice and be recognized for your continued dedication to HPU!

Learn more about the League at [engage.highpoint.edu/TheLeague](https://engage.highpoint.edu/TheLeague).

*“We have been given an abundance of opportunity throughout our time here. Not only did we receive an extraordinary education, but we were mentored by and learned from faculty and staff who cared for not only our futures but our overall well-being. The people here have ensured we are set up to leave prepared for the world as it is going to be and we are all well equipped to take on that world. Luke 12:48 tells us, ‘To whom much is given, much will be required.’ I want you to think about those words. We have been blessed with much knowledge, many talents and skills. It is now time to put those skills into action.”*
