

FOREVER FAMILIES

High Point University and Dr. Nido R. Qubein invite your family to honor and celebrate your graduate's milestone by becoming a Forever Family.

Forever Families believe in the God, Family, and Country values and Premier Life Skills Education that High Point University has provided their students, ensuring a positive outcome post-graduation. Forever Families embody philanthropic goals that set a pivotal example for their young graduates, and encourage them to support their alma mater.

Whether you are continuing your support as an extension of the President's Leadership Cabinet, or starting your legacy now, we are grateful for your commitment to High Point University.
